# Sex Trafficking In Our Homes, Schools, & Community

Heather Rowe, KOLD News

Karna Walter, PhD

Beth Jacob, BSW

Franki Reddick-Gibson, EdD

The tragic stories of young people being bought and sold for sex break our hearts, but seem too far away for us to do anything. **But is Marana too far? Are the Tucson Fair Grounds?** Not for the local teenagers saved from sex trafficking in these locations **this year alone.**

Join us for this two-hour forum MC'd by Heather Rowe, KOLD Channel 13 Anchor. The event will include **presentations by our guest speakers and facilitator-led community dialogue circles**, for a frank discussion of how sex trafficking affects all of us, and **what we can do about it.**
